

lift off!

Introducing our new warehouse apprenticeship programme! Designed for anyone aged 16-24 wanting to join Bookpoint and kick start their career.

We are recruiting apprentices to join a unique training programme where they will have the chance to gain a qualification and further their skills.

Over 12 months apprentices will rotate throughout the Operations departments gaining the training and experience needed to obtain the Level 2 NVQ in Warehousing and Storage. All training and assessment will be carried out on-site at Bookpoint with the support of our training provider, Intec.

Applications should be made directly via the NAS website:
